FOR IMMEDIATE RELEASE

Sedgwick County Treasurer Electronic Tax Reminder

(Sedgwick County, Kansas) – Beginning October 28, Sedgwick County taxpayers can go online at www.sedgwickcounty.org/treasurer and sign up to receive an electronic payment reminder for real estate and personal property taxes. All you need to sign up is an email address.

“A lot of times people get busy with family and work responsibilities and forget that their taxes are due,” said Jan Kennedy, Sedgwick County Treasurer. “This new web feature will help with a friendly reminder on December 1 and June 1. That’s a whole lot better than a delinquent tax notice after the due date.”

Taxes are billed each November. Payment is due December 20th. Optional first half payment may be made by December 20th. If the first half payment is timely then the second half payment is due on the following June 20th.
